FREQUENTLY ASKED QUESTIONS

How does the Early Years uniform differ from older grades?

- K-Gr.3 students do not change between gym period, sport period, and academic periods. Therefore, their daily uniform consists of a Hill Academy top of their choice, black Hill Academy jogging pants or athletic shorts (or black or beige athletic skort).

How many items should I buy of each?

- We recommend starting with 1-2 polos, 2-3 gym t-shirts, and 2 sweatshirts. Personal needs can be determined from there.

What bottoms are required?

- Hill Academy sweatpants and shorts are required for phys. ed. They must be purchased through the online store. Outside of phys. ed, the bottom requirement is black pants with pockets, which cannot be made of jogging pant material. Tights and bike shorts are not acceptable as bottoms.

Do I require a polo?

- We ask that all students purchase at least one polo for picture day, special occasions and events.

Is Hill Academy outerwear mandatory?

- Although Hill Academy outerwear is not mandatory it is highly recommended for travelling teams.

UNIFORM RULES

- No hats are permitted inside school at any time.
- No baseball caps are permitted on school trips unless they are Hill Academy caps.
