On-Campus Living Defined

Student-athletes who live on campus during the academic school year will experience a unique opportunity for personal growth while strengthening their academic, personal, and social skills just steps away from their academic and athletic settings. Built on the school's foundational H.I.L.L. principles, the On-Campus Living program promotes mutual respect and teaches self-discipline and confidence within a supportive and highly structured environment.

H.I.L.L.

H: Boarding students experience a robust social, athletic, and academic schedule. This structured on-campus living setting is an opportunity for students to reach their **highest level of achievement socially and emotionally**.

I: Student-athletes living on campus will have a mandatory study hall from Monday-Thursday. Staff living on campus will be available to check in on students during study hall and provide support when needed. Study hall is a great way to prepare for "the next level". It cultivates productive habits and strengthens **independent thought**.

L: Our On-Campus Program creates a unique camaraderie outside of sports teams and the classroom. Students will live, study, and partake in activities and events together. **Leadership** skills are cultivated and strengthened by living as an integrated group.

L: Students will be given the opportunity to engage in the community outside of the school setting; building a lasting **legacy** in the Hill community.

The Hill Academy, Caledon Campus

Nestled on 134 acres, the residence consists of 32 double occupancy rooms on two floors that are connected to the main academic building. Each room has a private bathroom and plenty of natural light, with views of our grounds. "The Lake House" serves as an additional residence, with similar amenities. Dons living in the same building will ensure the safety and security of each student-athlete. Student-athletes will engage in after-school hours and weekend programming tailored to broaden community perspective which will include occasional excursions and broader learning experiences.

MEET OUR TEAM

Our dedicated and caring faculty and staff are here to support the well-being and safety of students living on campus. The residence team is committed to providing an engaging and safe living experience while building Hill pride within the community of boarding students.

This is Emily Walko's third year on the residence team, she enjoys the opportunity to care for and engage with our residence students during their time at The Hill.

Zack (Hill Alumnus), Erika and Connor are all entering their 2nd year with the residence team, and are excited to create great memories and experiences that students will cherish for years to come.

Erica and Graydon (Hill Alumnus) are in their first year with the residence team and come with a lot of leadership experience through both of their lacrosse playing years. As the newest residence dons, they are committed to providing the best experience possible for our residence students.

Other faculty members such as coaches and teachers will also oversee the On-Campus Living Program on scheduled weekends and weeknights throughout the year. A supervision schedule and contact information will be shared with parents.

Expulsion:

- In extreme cases when a student has failed to meet the school's expectations several times or has committed a Level 2 Offense, the student's enrollment at the school may be called into question.
- In these cases, the school may convene a discipline hearing. A discipline hearing is a meeting between the student, the parents, the teacher/residence don/coach, and the administration. At the hearing, all relevant issues and information will be shared and discussed so that the process is fair and equitable for the student.
- If at the end of the hearing process, the school concludes that a student's actions warrant expulsion, the student will be asked to withdraw from the school immediately. In these cases, the school will offer as much support as possible to assist the student in her/his transition to a new school setting.

Upon Hearing the Fire Alarm:

- Follow the procedure practiced during fire drills throughout the school year.
- Before opening the suite door, feel the door and doorknob for heat. If they are not hot, brace yourself against the door and open it slightly. If you see smoke or feel air pressure or a hit draft, close the door quickly.
- If the corridor is free of fire and/or smoke, close the door behind you and leave by the nearest exit.
- Do not use elevators.

Before Entering The Stairway, Open The Door Carefully And:

- If there is no smoke, use the stairway to leave the building.
- If there is smoke, do not enter the stairway, close the stairway door. Go to an alternate exit and again open the door carefully.
- If there is no smoke within the stairway, use it to leave the building.
- If there is smoke, return to your suite and protect yourself from smoke.

Once Inside The Stairway:

- If you encounter smoke on your way down the stairs, do not continue.
- Leave the stairway onto the closest available floor area, and proceed to an alternate stairway. Open the door carefully and if there is no smoke, continue down the stairway and leave the building.
- If you cannot use any stairway to exit the building, return to your suite (if possible), or enter an available floor area and bang on suite doors until you can take shelter.
- Never go to the roof, smoke rises. Doors to the roof are locked and you could become trapped.
- Remember to stay low to the ground if you are in a smoke-filled environment. The air is cleaner near the floor level.

If You Cannot Leave Your Suite Or Have Returned To It Because Of Fire Or Heavy Smoke, Remain In The Suite And:

- Close the door but leave it unlocked for possible entry by firefighters.
- Dial 9-1-1 and give the CALEDON FIRE DEPARTMENT the building address (20490 Porterfield Road, Caledon - Orpen Lake Drive) and your location in the building (floor [blank], suite # [blank]).
- Seal all cracks where smoke can enter by using wet towels or sheets.
- Keep low to the floor if smoke enters the room.
- Move to the balcony or the most protected room and partially open the window for air.
- Signal to firefighters by waving a sheet/towel. Close the window if smoke comes in.
- Wait to be rescued. Remain calm. Do not panic or jump.
- Listen to instructions or information given by authorized personnel.

Security and Surveillance

- **Surveillance & Video Monitoring:** All hallways, doors and main areas of the building are equipped with motion and security cameras for student-athlete safety.
- **Leaving campus:** Students are required to request permission to leave the residence if needed. Video documentation will record students who fail to request permission to leave. Students must follow the sign-in/out procedure.
- **Front Gates:** The front gates will be closed at varying hours due to facility rentals. If students plan on returning late to campus they must notify the Residence Staff with at least 24 hrs notice so that they can inform the Facility Manager. If a student returns to campus without informing the Residence Staff and finds that the gates are closed, they will need to find an alternative place to stay for the night.
- **Alarm System:** Each evening the alarm system will be set to assist with the security and safety of the residents. Any motion will trigger the alarm and the Facility Manager will be notified. Once notified they will be able to check the surveillance to see what triggered the alarm. If a student triggers the alarm disciplinary action will be taken with the school's administration.
- **The forest/trail and lake system, classrooms and gym** are off-limits unless student-athletes are accompanied by a teacher during a class outing, or with their coaches during team training sessions. It is considered a Level 1 Offense if this rule is broken.
- **Room Keys:** Each student will be given their room key on a Hill Academy lanyard, the Residence Staff will have a copy of the key. The student is not allowed to share the key with anyone else. If the key is lost there will be a small fee to have a new key re-cut.
- **Dorm Room Access:** Students will not be permitted in their dorm rooms during school hours. Once they leave for breakfast in the morning they are not allowed back into their room until the end of the school day.
- **Room Inspections:** The Residence Staffs are responsible for ensuring that health, safety and fire code standards are maintained. Residence staff reserve the right to regularly inspect the boarding rooms and sports lockers to ensure that health and safety standards are met.
- **Day Students/Visitors:** Are not permitted in the dormitory rooms at any time.
- **Family & Visitor Sign Out Policy:** We encourage parents/guardians to visit their student-athletes while living in residence, however, for the safety of our students, family members need to be escorted into the building by their boarding student, and the Residence Staff will also need to be made aware of the visit.
