General On Campus Living Information:

On Campus Living Defined:

Student athletes who choose to live on campus during the academic school year will experience a unique opportunity for personal growth all while strengthening their academic, personal, and social skills just steps away from their academic and athletic settings. Built on the school's foundational H.I.L.L. principles, the On Campus Living program promotes mutual respect, and teaches self-discipline and confidence within a supportive and highly structured environment.

H.I.L.L. Principles as they apply to On Campus Living:

H: Boarding students experience a robust social, athletic, and academic schedule. This structured on campus living setting is an opportunity for students to reach their **highest level of achievement** socially and emotionally.

I: Student-athletes living on campus will have mandatory study-hall from Monday-Thursday. Staff living on campus will be available to check in on students during study-hall and provide support when needed. Study-hall is a great way to prepare for “the next level”. It cultivates productive habits and strengthens **independent thought**.

L: Our On Campus Program creates a unique camaraderie outside of sports teams and the classroom. Students will live, study, and partake in activities and events together. **Leadership** skills are cultivated and strengthened by living as an integrated group.

L: Students will be given the opportunity to engage in the community outside of the school setting; building a lasting **legacy** in the Hill community.

The Hill Academy, Caledon Campus:

Nestled on 134 acres, the residence consists of 32 double occupancy rooms on two floors that are connected to the main academic building. Each room has a private bathroom and plenty of natural light, with views onto our grounds. Dons living in the same building will ensure the safety and security of each student-athlete. Student-athletes will engage in after school hours and weekend programming tailored to broaden community perspective which will include occasional excursions, and broader learning experiences.

On Campus Living Dons & Staff:

Meet Our Dons:

Our dedicated and caring faculty and staff are here to support the wellbeing and safety of students living on campus. The head residence don for the 2021-22 academic year is **Jake Cook**. He is committed to providing an engaging and safe living experience while building Hill pride within the community of boarding students.

The Hill Academy is excited to have **Jake Cook** as our 2021/2022 head residence don. Jake is a Hill Academy alumnus and graduate of Providence College, where he earned his bachelor's in science in biology while being a member of the men's lacrosse team. This is Jake's third year as a dorm parent and fourth year as a teacher and coach at The Hill Academy.

Other faculty members such as coaches and teachers will also be responsible for overseeing the On Campus Living Program on scheduled weekends and weeknights throughout the year. A supervision schedule and contact information will be sent to parents ahead of time.

Covid-19 Restrictions & Daily Life on Campus:

The Government of Canada recommends that all individuals aged 12 and older who are eligible for the vaccine get vaccinated. Both Provincial and Federal Government resources tell us that COVID-19 vaccines are effective ways to keep us from getting and spreading the virus. It is our expectation that all staff and students in residence are fully vaccinated prior to the move into the Hill Academy dorms. **If you have a bona fide exemption, please advise so we can discuss accommodations.**

- Weekday visitors will not be permitted. Visitors will be restricted to weekends.
- All staff and students must complete a self-administered COVID-19 daily screen every weekday prior to leaving their residence room.

For more information regarding The Hill Academy COVID-19 mitigation protocols, please review *The Hill Academy Return to Campus 2021-2022* [CLICK HERE](#)

- Sports Injuries: All sports related injuries will be directed to our on-site athletic therapist, Jennifer Bell.
- **For Emergencies or Walk-In Clinic:** Headwaters Healthcare Health Care Centre (located 5 min from Campus): 100 Rolling Hills Dr, Orangeville, ON, L9W 4X9, (519) 941-2410

Discipline Procedures

The following procedures, independently or collectively, can occur as a result of the incidents or reported violations of the Residence Living Standards. Depending on the nature of an incident, different pathways of resolution may be determined.

Verbal Warning:

- A verbal warning is given by the House Don to inform student-athletes that a specific behavior does not meet The Hill Academy expectations.
- Occasionally given as a courtesy to draw awareness to a situation. (e.g., level of noise)

Incident Report (IR):

- An Incident Report refers to the standard form used to describe a situation, time, date, location, and person(s) involved.
- The purpose is to document the incident and ensure students are informed of their behavior.
- Sanctions may be placed on an individual as a result of this documented behavior.
- Student-athletes may request a copy of the Incident Report.

Restorative Justice Circle

- A restorative justice circle refers to a community circle involving a House Don, the Secondary School Vice Principal, the student who has been reported to have violated the Residence Living Standards and members of the residence who have been impacted by the violation.
- The student-athlete involved will be given the opportunity to speak on their own behalf and share their account of the incident.
- Community members will be given the opportunity to share how the incident has impacted them.
- The student-athlete will be afforded the opportunity to suggest a solution to making amends with the community that has been impacted.
- Other members of the community will discuss whether it will suffice based on the transgression and other information presented during the community circle.

Student Conduct Meeting:

- A student conduct meeting refers to the meeting typically between a House Don, the Secondary School Vice Principal and the student who has been reported to have violated the Residence Living Standards.
- The House Don, Secondary School Vice Principal or the student-athlete involved may request a student conduct meeting to discuss the details of an Incident Report. The student-athlete is entitled to information regarding the nature, time, and date of the reported offense.
- The student-athlete involved will be given the opportunity to speak on their own behalf and share their account of the incident.
- Student-athletes are expected to be present for meetings as requested by the House Don or Secondary School Vice Principal. Should a student-athlete fail to appear for their scheduled meeting, the staff member may proceed to process the case in their absence.
- Following a student conduct meeting, the student will receive a decision letter.

Decision Letter:

- A decision letter is a formal letter outlining whether or not the student-athlete has been found in violation of the Residence Living Standards. If the student-athlete is in violation of the Standards, the letter will highlight the details of the incident and offense as well as the assigned sanctions. If the student-athlete is not in violation of the Standards, the letter will reflect this outcome.
- Decision letters will be written by the Secondary School Vice Principal and emailed to the student and parents/guardian.

Sanctions:

- The On Campus Living Standards attempt to provide the boarding student with an example of what the normal range of sanctions might be for a particular behavior; however, alternative, or higher than minimum sanctions may be levied if warranted by the offense. All monetary sanctions will be charged to a student's financial account. All decisions are completely at the discretion of The Hill Academy.

Educational Sanctions:

- Any listed sanction may be accompanied by an educational sanction.
- Sanctions include but are not limited to written assignments, detention.

Loss of Privileges:

- Specific privileges may be suspended or revoked for a given time period or until behavior has improved.

Restitution and Community Billing:

- Restitution is a monetary reimbursement for actual damages to, destruction of, or misappropriation of the resident property.
- Community billing occurs when vandalism has been done or a residence common area has been left untidy and/or damaged and cannot be attributed to any specific individual(s). The incurred damage costs are then split among the residents of the floor/building where the incident occurred.

Behaviour Contract:

- A set of behaviour expectations and conditions, laid out in contract, that is determined with the student.
- With their signature, the student agrees to the terms and is aware that any breach of this contract constitutes further consequences.

Transfer:

- It may be deemed appropriate to relocate a student from one room allocation to another.
- The intent of the transfer is to allow the student a fresh start in a new environment.
- If there is an immediate safety concern, or need to separate parties, a student may be transferred temporarily until the matter is resolved.
- There may be costs associated with being transferred.

Suspension:

- A suspension is defined as a period of time where a student is temporarily prohibited from residing on campus.
- Throughout the suspension period, a student is responsible for the full cost of the campus space.
- A deferred suspension from residence is a period of review during which the student must demonstrate an ability to comply with the campus rules. If, during the period of the deferred suspension, the student is again found responsible for violating any on campus living policy, the student will be immediately suspended/evicted from the residence.

Residence Eligibility:

- The Hill Academy may deem it appropriate for a student to lose the right to return to campus for the following year or to have certain conditions placed on their residency.
- Any student with Level 2 Offenses on file will automatically have his/her school file and spot living on campus reviewed.

Eviction:

- When warranted, The Hill Academy may terminate a student's contract.
- A student can be immediately removed from residence without a financial refund.

Academic Sanction:

- An academic sanction may be applied to students who have not made payment, or suitable arrangements for payment, of their student accounts. Outstanding fines, behaviour bonds, and administrative charges can result in academic sanction.

Expulsion:

- In extreme cases when a student has failed to meet the school's expectations several times or has committed a Level 2 Offense, the student's enrollment at the school may be called into question.
- In these cases, the school may convene a discipline hearing. A discipline hearing is a meeting between the student, the parents, the teacher / residence don / coach, and the administration. At the hearing, all relevant issues and information will be shared and discussed so that the process is fair and equitable for the student.
- If, at the end of the hearing process, the school concludes that a student's actions warrant an expulsion, the student will be asked to withdraw from the school immediately. In these cases, the school will offer as much support as possible to assist the student in her/his transition to a new school setting.

Part Three:

Safety Procedures:

Evacuation & Fire Safety Procedures:

- In the event of a fire or other emergency, all residents must evacuate the building immediately.
- All students will complete a mock fire drill in the first week of living on campus to familiarize themselves with the emergency exits.
- If you detect smoke, activate the alarm and evacuate immediately using the nearest exit.
- Students are not to return to the building until the Fire Department gives permission.

Security & Surveillance

- Surveillance & Video Monitoring: All hallways, doors and main areas of the building are equipped with motion and security cameras for student-athlete safety.
- Leaving campus: Students are required to request permission to leave the residence if needed. Video documentation will record students who fail to request permission to leave. Students must follow the sign in/out procedure.
- The forest/trail and lake system, classrooms and gym are off limits unless student-athletes are accompanied by a teacher during a class outing, or with their coaches during team training sessions. It is considered a Level 1 Offense if this rule is broken.
- Room Keys: Each student will be given their own personal room key on a Hill Academy lanyard; the House Don will have a copy of the key. The student is not allowed to share the key with anyone else. If the key is lost there will be a small fee to have a new key re-cut.
- Dorm Room Access: Students will not be permitted in their dorm rooms during school hours. Once they leave for breakfast in the morning they are not allowed back into their room until the end of the school day.
- Room Inspections: The House Dons have a responsibility to ensure that health, safety, and fire code standards are maintained. Dormitory staff reserve the right to carry out regular inspections of the boarding rooms and sports lockers to ensure that health and safety standards are met.
- Day Students/Visitors: Are not permitted in the dormitory rooms at any time without permission from a House Don.
- Family & Visitor Sign Out Policy: We encourage parents/guardians to visit their student-athletes while living in residence, however, for the safety of our students, family members need to be escorted into the building by their boarding student, and the House Don will also need to be made aware of the visit.

Damages & Repairs:

- Please report damages/vandalism to the House Don.
- Should something need repair in your room, advise your House Don.
- If you are responsible for causing damage, see your House Don as soon as possible.
- Do not attempt to perform repairs yourself.
