

SAT Prep:

We will be continuing our SAT preparatory program throughout the 2018-19 academic year. Students are welcome to join any time and can attend as their schedule allows. This course will concentrate on both Math and English covering key content and test strategies. It will give students an advantage when writing the SATs by increasing their readiness, confidence and optimizing their potential. Each week will focus on a few specific skills and these will be reinforced with multiple SAT practice tests. Students are encouraged to continue practicing during the week and resources will be provided. Registration will be taken on a first-come-first-serve basis. Grades 9/10 who wish to get a head start are welcome. Registration is now open.

This year's test dates are as follows:

Oct 6, Nov 3 (US only), Dec 1, March 9, May 4, June 1 (US only)
